

Bug reports			
ID	#5919032	#5918347	#5918629
Pre-conditions	-	-	
Summary	Wrong image displayed after hovering over color option	Showing incorrect bed when filtering with "Metal Beds"	Fullscreen mode and close buttons are not responsive when clicked
Steps	1. Open https://www.ashleyfurniture.com/ 2. Navigate to Furniture dropdown menu 3. Select Sectional Sofas 4. Scroll Down to Bladen 2-Piece Sectional 5. Hover pointer over Slate colour option	1. Open https://www.ashleyfurniture.com/ 2. Click on "FURNITURE" on the menu bar 3. Click on "Beds" on the Bedroom group menu 4. Click on "Metal Beds" on "Show by Style"	1. Open www.ashleyfurniture.com 2. Click the "Confirm" button 3. Scroll down the website page 4. In the "design resources" section, click the "Digital Catalog" button 5. Click on the image of the "celebrate the magic at home" catalog 6. Scroll the page down and click the "Toggle Fullscreen" button 7. To close the catalog, click on the cross-shaped button
Expected Result	Picture of slate coloured sofa should be displayed	The bed on the results page must be made of metal or at least contain some metal materials On the results page, there still show some beds that are not made from metal or contain metal material on any details	The catalog opens in fullscreen mode. The catalog closes. Fullscreen mode does not respond when clicked. The catalog close button is also not responsive, the catalog remains open.
Actual Result	Coffee coloured sofa is displayed
